

前提：考试已经在云端存在

1、 创建属于考试的课程

2、 微课宝上传并且关联那一次创建了考试的课程

The image shows a dark-themed form for uploading educational resources. At the top, there are radio buttons for '上传到:' (Upload to) with options: '演示空间5' (selected), '演示空间2', '心意答演示平台', and '心意答资源平台'. Below this is a '视频文件:' (Video file) field containing '柯西不等式.mp4' and buttons for '上传成功' (Upload successful) and '删除' (Delete). The '资源名称:' (Resource name) field contains '柯西不等式'. There are dropdown menus for '年级:' (Grade) set to '七年级' (7th grade) and '科目:' (Subject) set to '数学' (Mathematics). Below these are plus signs for '知识点:' (Knowledge points) and '教材/章节:' (Textbook/Chapter). A '分类:' (Category) dropdown is also present. There are text input fields for '关键字:' (Keywords) and '简介:' (Introduction). An '附件:' (Attachment) field has a '浏览' (Browse) button. At the bottom, there are dropdowns for '关联课程:' (Related course) set to '2017-2018学年度七...' and '课程目录:' (Course directory) set to '目录'. A '关联题目:' (Related question) field contains '[2]主观-10-10' with a plus sign. A '保存' (Save) button is at the bottom right.

3、 后台管理去审核通过

后台管理地址：

demo5.cnwkw.cn/app

4、 同步到成绩分析

选中创建的考试课程，点击同步到成绩分析按钮。

5、 随后就可以去成绩分析那边查看视频了。
